

Lakeview Bank “eVerywhere” Mobile Remote Deposit User Guide

1. Open Lakeview Bank app and login with your ID and password or Touch ID.

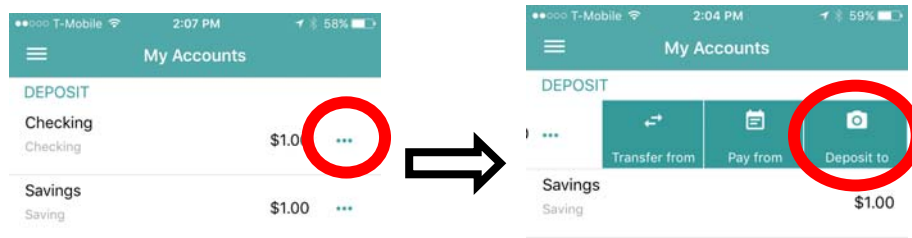

2. There are two ways to access Mobile Deposit.

Select "Mobile Deposit" and "+" in the upper right corner

Or from the "My Accounts" screen click the dots then click "Deposit to"

3. Endorse the back of your check correctly.

ENDORSE
<i>For Mobile Deposit Only</i>
<i>at Lakeview Bank on MM/DD/YY</i>
<i>Printed Business Name</i>

4. Enter in the dollar amount of the check and select which account you want to deposit your check.

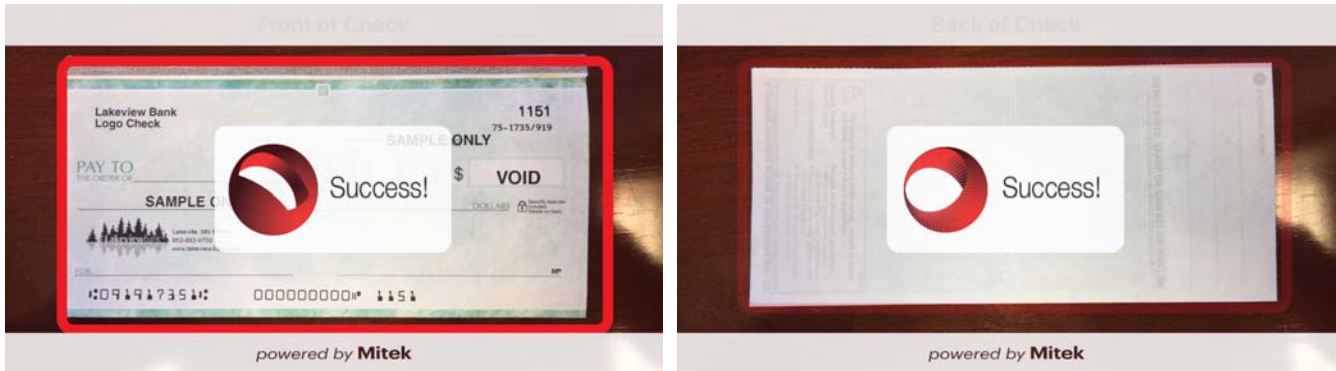

Deposit to Select account >

Amount \$0.00

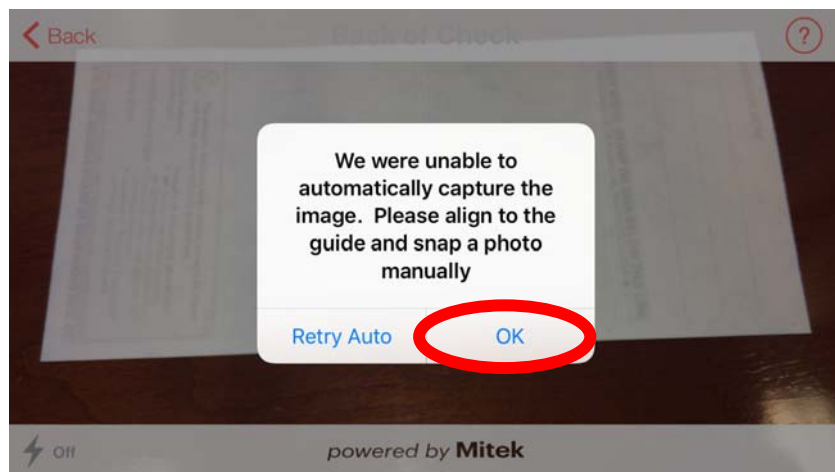

Reset Submit

Powered by Miteksystems

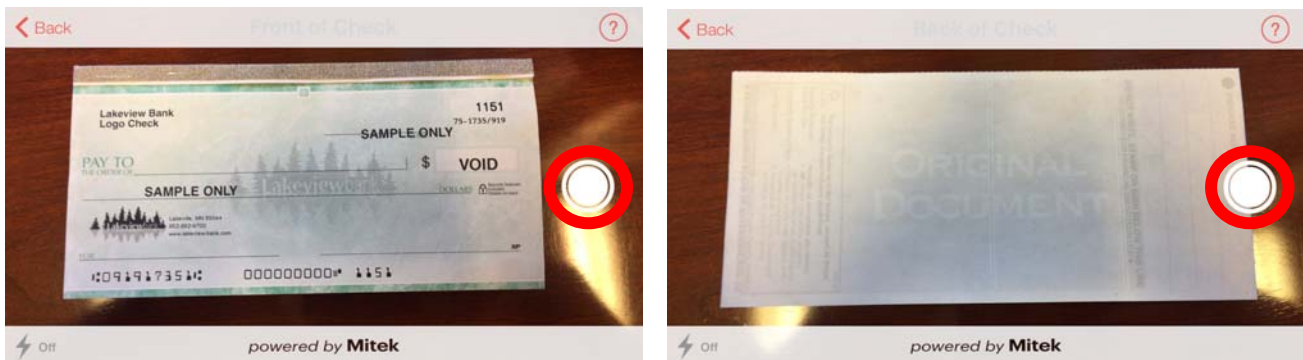

5. Take a picture of the front and back of the check. Make sure all information is visible and legible. The picture will automatically be captured when the check is lined up within the box. The image will say "Success" and you will be brought back to the deposit screen.

If the check will not automatically capture, you can click "OK" to manually capture image

Line up check image and click to capture

6. After reviewing, select "Submit."
