

How to set up Password Self-Reset

Before you use Password Self-Reset, you need to set up your Password Reset Question and Answer on your online banking. To set up Password Self-Reset, follow the instructions below.

Navigate to our Web Site www.lakeview-bank.com and login to your Online Banking.

Click Options / Personal Info

Enter a Password Reset Question and Password Reset Answer.

*(ex. Password Reset Question: What is your birthday month?
Password Reset Answer: June)*

Once you have entered your Password Reset Question and Answer, scroll to the bottom of the page and click "Submit."
